Oakland International's 10th Anniversary – help us celebrate 2008!

Did you know 2008 is Oakland's 10th anniversary? You didn't? Well you do now and we want you to be a part of it and help us celebrate our team's achievements and successes.

Oakland began operations in 1998, since then our service provision has evolved in response to change, whilst maintaining our core values.

A family firm, we know and appreciate that we couldn't do it without you, our customers, our network partners, our suppliers and especially the Oakland team, and as we celebrate our 10th anniversary we want to extend our thanks and best wishes and we will keep you updated with all Oakland's celebration activities over this year.

January 2008 Promoting Languages in local schools – Presentations to Year 9 pupils by Oakland MD, Dean Attwell & Business Development Manager, Pete Vaughan, to encourage the importance of taking up a language for GCSE level

February 2008 Launch of 'Oakland' specially labelled 10th anniversary, locally produced wine. Clients on visits to Oakland will receive a gift of this great tasting british wine.

March 2008 Launch of Oakland, own label, 10th anniversary water, bottled at source in Wales, by Montgomery Spring Water.

Conference, meeting and training facilities now open at our Alcester depot. Special rates for existing clients of Oakland. Take your seminars to a new level, with a view of the rolling Warwickshire hills!

Our management team out on the language campaign again. We have been asked again to talk to Year 9 students at St Augustines School Redditch on the

advantages of having a language within the workplace. Last time Pete & Dean managed to help double the number of students choosing a language at GCSE level – watch this space!

Paul Ziolek, our Ops Director is taking part in a Young Enterprise Day at Beoley First School on March 11th, talking to pupils age 4-9 years of age about what Oakland do as a business

April 2008

Official Opening of rerouted public footpath, by MP Julie Kirkbride. (Beoley Depot)

Opening of the 'Oakland Academy', Oakland's dedicated training centre for our team, within our new depot at Alcester.
